DID YOU KNOW??

As we celebrate our 30th anniversary, it is fitting that we spotlight two veteran 20-plus year Reitman employees. They are:

Kevin Spagone, Vice President, who joined us in 1997. He had followed his fiancée, now wife, Amy, to Connecticut and we **THANK** Amy for bringing him to Connecticut.

Kevin has two children, both boys who keep him busy in a number of sports and activities. He coaches baseball, basketball and is an active volunteer for local youth sports. Kevin has worked every aspect of our placement business over the years. Notably, developing and launching the Reitman Security Search practice, a leading national search firm placing executive level staff in the electronic security and intelligent buildings space throughout the US and Canada.

Christen Gagliardi, Office Manager, joined Reitman in 1998. At the time her son, Domenick, was just a toddler. He is now the father of a beautiful daughter, and Christen is a young grandmother. Fourteen years ago she gave birth to her second son, Giovanni, who is an avid wrestler and football player. Christen enjoys all of his sports activities.

Her amazing organizational skills enable her to manage all administrative, bookkeeping and computer functions and have consistently and significantly supported and contributed to Reitman's success. She also assists Fran and Anthony and supports our other recruiters in our candidate placement process. It is our good fortune that she found us.

CONGRATULATIONS TO KEVIN AND CHRISTEN!!
