# DID YOU KNOW??

## CELEBRATE THE HOLIDAY SEASON

During the holidays we are often reminded of the diversity that our world is made of, as we celebrate according to our separate heritage, traditions and beliefs. However, one common denominator has always been to live in peace and harmony. Respect for family, friends and neighbors whatever our differences, has been an American value.

Although most of us still hold to these values and traditions, some have been lost recently and there appears to be more anger and violence between us and throughout the world. This is not working for any of us and we need to take time now to do our small part to help bring back these values.

During this holiday season and beyond, let us pull together in the spirit of unity, harmony and peace embracing all traditions and applying it to all walks of life. Make this holiday season meaningful to all and bring us back to a shared community that cares and respects all differences. Play it forward.

THE STAFF AT REITMAN WISHES YOU AND YOURS A VERY HAPPY,  
HEALTHY, AND SUCCESSFUL 2019

## HAPPY HOLIDAYS
